Awards will be posted in the Awards Room after each session. At the conclusion of the weekend, results will be posted on the MyUSAgym app and in the hospitality room.

Boys Level 4-9 are divided into "wandering age groups". Gymnasts in each level are put in order from youngest to oldest, and divided into equal age groups (Junior, Senior, etc.). There will be approximately 20-30 kids per age group, and awards will be given to approximately 1/3 of the age group. Level 10s are divided into age cohorts (e.g. 16 year olds, 17 years olds) that are not necessarily equal in size. Level 10 awards will go out a maximum of 10 places; Less if the age cohort is smaller than 30 athletes. There are no awards for the Tech Sequences session. Individuals competing in the State Team session will receive individual awards in their session. Ties are broken sequentially, and all places will be honored for the last place out. Optionals will use FIG rules for tie-breaking. Team awards for all levels will be given in the age cohorts, and also in a combined group for the entire level.

Vendors & Concessions: A small concessions area (cash only please) will be set-up in the Awards Room (**16**) for the duration of the meet. This will consist of only bottled drinks, coffee, and small, packaged snacks. Food must be consumed in the Awards Room and cannot be taken into the gym. North West Designs will be printing Regional apparel on-site for purchase. They are also located in the Awards Room.

Hospitality: Men's restrooms are in the SW corner of Gym 1. Women's restrooms are in the NW corner of Gym 1.
