

Champaign Gymnastic Academy Booster Club Team Sponsorship Information

Yes, there is a competitive boys' and girls' gymnastics team in Central Illinois!

The CGA Pumas team, founded in September 2012, now boasts approximately 85 gymnasts, ages 5-18, demonstrating skill, discipline and values as young amateur athletes.

The Champaign Gymnastics Academy is an important community resource, as gymnastics is not supported as a local school sport. Each December, as host of the Justin Spring Invitational (JSI) competitive gymnastics meet, CGA is responsible for bringing approximately 1000 families to Champaign-Urbana. Your sponsorship contributes to competition attire, coaches' travel expenses, and the annual JSI Meet.

Competitive gymnastics is an increasingly expensive endeavor for families, who travel to meet from October through June, throughout the Midwest as well as at the national level. The CGA Booster Club is seeking annual partners who want to help keep the opportunity for local youth to participate in competitive gymnasts alive and thriving in our community.

Competitive gymnastics is an excellent youth sports experience, providing health benefits and teaching critical behaviors such as self-discipline, time management, and how to set and achieve personal goals. Our gymnasts develop positive relationships with peers and mentors that last a lifetime.
