Meet Format

Illinois Team Cup is a club meet experience like no other! Your gymnast will have the opportunity to experience the team camaraderie and energy found in college gymnastics at the club level. Gymnasts will compete in teams of 3-7 athletes in a team-only challenge. For each of the 6 events, 4 gymnasts/team will compete and the top 3 scores will count. At the conclusion of each all gymnasts will be recognized for their participation and the highest-scoring teams will be honored with awards. Team awards will be given for Level 4, Level 5, Level 6, Level 7, Level 8, JD (JD 1 & 2 combined), Level 9, and Level 10.

In 2020, our Level 9 and 10 gymnasts in Session 3 will have the privilege of competing alongside the Illinois Fighting Illini & Springfield College men's gymnastics teams as they compete head-to-head in one of their regular season dual meets. We are thrilled to have this opportunity and hope that our gymnasts will feed off the amazing energy that these athletes bring to the competition floor. We want to strongly encourage all participating gymnasts from Session 1 and 2 to stick around and cheer on their Level 9-10 teammates in Session 3, as well as the Illini and Springfield gymnastics teams.
