

Facility Illness Management

CHAMPAIGN GYMNASTICS ACADEMY

OVERALL WELLNESS

We promote wellness among our gym community and discourage attendance if your child is not "well". This means if your child is not well, for any reason, they should not attend their class or practice. Your cooperation is extremely important to ensure that we can provide all of our children, families, and staff with a happy and illness-free environment. Please take a cautious approach when deciding to send your child back to the gym after illness.

LIMITED SPECTATORS

We want to limit spectators during this time to minimize person-to-person contact whenever possible. If you are able to drop-off your children for their class or practice, we would encourage you to do so.

DISCOURAGED WATER FOUNTAIN USE

Though we disinfect our water fountain daily, we cannot disinfect it after every use. Please send your child with a reusable water bottle to their class or practice instead.

MAKE-UP POLICY

Make-ups can be scheduled for missed rec classes throughout the session. Though team gymnasts will not be able to make-up missed practices, we feel it is in the best interest of our gymnasts and coaches that they follow the same guidelines.

LIMITED CONTACT

As much as we love high fives, we will be offering our encouragement without physical contact at this time. We will also be discontinuing our use of stamps at this time.

CONTINUED DAILY SANITATION

We will continue to be diligent with our cleaning and disinfecting of the facility.

Thank you for your cooperation!
